# JOIN US IN GHENT

Dear Colleague,

On **Saturday, March 14**, the Department of Paediatric Dentistry and Special Care Dentistry at Ghent University Hospital, in collaboration with the BAPD<sub>vzw</sub> (Belgian Academy of Paediatric Dentistry), will host an **international symposium** at the Handelsbeurs in Ghent.

This special event marks the **40<sup>th</sup> anniversary of our master training programme in Paediatric Dentistry and Special Care Dentistry**.

For this festive edition, we have invited renowned speakers from Belgium and abroad, and we are proud to share the detailed programme with you.

As you will see, the lectures are relevant for both paediatric and general dentists. The academic programme will be followed by a reception, and we warmly invite you to join us.

We truly hope to welcome you to this anniversary symposium!

Kind regards,

**Prof. Sivaprakash Rajasekharan**, Head of the Paediatric and Special Care Dentistry Training Program

**Dr. Jakob Van Acker**, Team Leader of Paediatric and Special Care Dentistry  
**Paediatric Dentists Jeroen Vandenbulcke and Elena Evangelou**, Staff Members of Paediatric and Special Care Dentistry

## Programme

Our programme features leading national and international experts.
